# ● Wine Tour and Tasting in Nemea

Let's take a trip to the blessed land of Nemea, just 40 minutes from Nafplio. We will there get to know the process of production of local wines with international recognition, from the vineyard to the bottling and the wine cellar. We will better meet the unique Agiorgitiko, we will feel the flavors and aromas of the wine, guided by the myth of Hercules and Dionysus, the god of wine and viticulture. At the end of this unique tour, we will also enjoy this gift of God... **Type of activity:** Guided Tour, Wine Tasting | Aimed at people aged 18 plus | **Duration:** 45 minutes. | **Description:** We start the tour from the vineyards of a well-known winery in the region of Nemea. We provide information on the principles of organic and biodynamic cultivation. We make a journey in time, through the myths and history of Nemea. Next stop, the cork oak that adorns the estate's yard. An essential step in understanding how to produce cork, is to closely observe the tree. We continue in the production area. Here, we connect tradition with modern technology. We get a taste of all the stages, from the production of the grapes to the bottling. Of course we can't exclude the cellar, full of old and new barrels, from where the heady smell of ripe wine emerges.

Finally, there is no better way to close your visit, than by tasting the wines. The ideal way to see the results of all the procedures described during the tour. Combined with a small Olive Oil Tasting, for a richer experience...

**Starting point – Return:** Your hotel in the city of Nafplio. *If you do not stay in Nafplio, the Land Gate, at the entrance of the old town or the Nafplio port.* Transfer from and to your hotel outside the city is optional, with extra charge.
